The civil war caused a suspension of its sessions in 1863, '64 and '65, but its instruction was resumed the session of 1865-66, and continued annually since. The faculty embraces seven professors, who are aided by seven lecturers, three demonstrators and five assistant demonstrators, nineteen chiefs of clinic and one instructor and one assistant instructor of practical pharmacy. In 1885, by act of the Legislature, the name, University of Louisiana, was changed to the Tulane University of Louisiana.

163* New Orleans School of Medicine, New Orleans, La. Organized in 1850. Extinct since April, 1870.*

164* Charity Hospital Medical College, New Orleans, La. Organized in 1873. Extinct since 1877.*

Medical Department of Straight University, New Orleans, La. No instruction was ever given.

165 New Orleans University, Medical Department, New Orleans, La. C. F. Dight, M. D., Dean, 1506 Canal street. Organized in 1889. Open to both sexes and all races. The faculty consists of twelve professors, lecturers and instructors. Four years' graded course.

MAINE.

166 Medical School of Maine, at Bowdoin College, Brunswick, Me. Alfred Mitchell M. D., Secretary. Organized in 1820. Classes have been graduated each subsequent year. The faculty embraces ten professors, one clinical instructor and two demonstrators.

167 Portland School for Medical Instruction, Portland, Me. C. O. Hunt, M. D., Registrar. Organized in 1855. No diplomas are conferred. "The aim of the school is to afford to medical students greater facilities for obtaining a higher grade of professional education than can usually be given under the direction of a single preceptor." The faculty embraces twelve instructors and one adjunct instructor.

168 Eclectic Medical College of Maine, Lewiston, Me. Organized in 1881. Extinct.

168½* The Druidic University of Maine, Lewiston, Me. Organized in 1874. Charter revoked by the Legislature in 1887.

MARYLAND.

169 University of Maryland School of Medicine, Baltimore, Md. R. D. Conle, M. D., Dean, 865 Park avenue. Organized in 1807, as the College of Medicine of Maryland. In 1812, faculties of law, theology and arts were added, and the whole chartered under the name of the University of Maryland. The degree of M. D. was first conferred in 1810, and degrees have been conferred each year since. The faculty embraces fifteen professors, eight lecturers, eleven demonstrators, three prosectors and eleven dispensary physicians and chiefs of clinics. (See adv.)

*As no list of the diplomas granted by this college could be obtained, all the names of physicians appearing in the following pages, and represented as being its graduates, have not been verified.

- 170* Washington University School of Medicine, Baltimore, Md. Organized in 1827, as the Medical Department of Washington College, Pennsylvania. The first class was graduated in 1828, and classes were graduated under the auspices of Washington College until 1840, when the Maryland Legislature empowered the institution to assume the above title. Lectures were delivered and classes graduated until 1851, when it became extinct. In 1867 the institution was reorganized, and lectures were thence delivered until 1877, when the institution was merged into the College of Physicians and Surgeons, Baltimore.*
- 171 The College of Physicians and Surgeons, Baltimore, Md. Thomas Ople, M. D., Dean, 219 Monument street w. Organized and incorporated under the laws of the State of Maryland in 1872. In 1877 the Washington University School of Medicine, which was established in 1827, was merged into the College of Physicians and Surgeons of Baltimore. In 1878 an enactment of the General Assembly of Maryland ratified the union of the two schools under the latter title, and conferred upon it all the rights, powers and privileges of both schools combined. The faculty embraces thirteen professors, eight associate professors and eighteen demonstrators. (See adv.)
- 172 Baltimore Medical College, Baltimore, Md. David Streett, M. D., Dean, 403 N. Exeter street. Organized in 1881. The first class was graduated in 1882. The faculty embraces fifteen professors, nine lecturers, twenty-three demonstrators and two instructors. (See adv.)
- 173 Baltimore University School of Medicine, Baltimore, Md. Z. K. Wiley, M. D., Dean, 724 N. Carey street. Owing to dissension in the Baltimore Medical College, after the close of its session of 1883-84, a charter was obtained under the above title for this school, which graduated its first class in 1885. The faculty embraces ten professors, ten lecturers and six demonstrators. (See adv.)
- 174 Woman's Medical College of Baltimore, Baltimore, Md. I. R. Trimble, M. D., Dean, 214 W. Franklin street. Organized in 1882. The first class was graduated in 1883. The faculty embraces twelve professors, five lecturers, five demonstrators and eight clinical assistants. (See adv.)
- 175 Medical Department of the Johns Hopkins University, Baltimore, Md., D. C. Gilman, LL. D., President of the University; William H. Welch, M. D., Dean of the Faculty. The Johns Hopkins Medical School was opened in the year 1893. It provides a four years' course, which is open only to those who have received a college degree and, in addition to the usual studies, have had a year's work in chemistry, in physics and in biology, and can show a reading knowledge of French and German—or to those who show by examination an equivalent training. There are well-equipped laboratories for work in anatomy, physiology, pathology, bacteriology, pharmacology and physiological chemistry. Clinical facilities are provided by the Johns Hopkins Hospital. A preliminary course for young men proposing to study medicine was instituted in 1877 and is still continued in the Philosophical Department of the University. This course leads to the degree of Bachelor of Arts. There is also, in connection with the Johns Hopkins Hospital, systematic post-graduate instruction in pathology and bacteriology, medicine, surgery, gynecology, psychiatry, history of medicine, laryngology, diseases of children, nervous diseases, genito-urinary diseases, ophthalmology and otology and dermatology. Information

*As no list of the diplomas granted by this college could be obtained, all the names of physicians appearing in the following pages, and represented as being its graduates, have not been verified.

respecting the Hospital Course will be received from the Superintendent, Henry M. Hurd, M. D. (See adv.)

- 175A Southern Homoeopathic Medical College and Hospital, Baltimore, Md. Organized in 1900. The first class was graduated in 1902. The faculty consists of fifteen professors, six lecturers and five demonstrators.

MASSACHUSETTS.

- 176 Harvard University Medical School, Boston, Mass. Wm. L. Richardson, M. D., Dean, Boylston and Exeter streets. Organized in 1782. The first class was graduated in 1783, and classes have been graduated in each subsequent year. The instruction is given by twenty professors, seven assistant professors, nineteen instructors, two lecturers, two demonstrators, forty assistants to chairs, one curator and nine special clinical instructors. The faculty is composed of the professors, assistant professors and others whose term of appointment is longer than for one year. The required course covers four years of nine months each. (See adv.)
- 177 Berkshire Medical College (Medical Department of Williams College), Pittsfield, Mass. Organized in 1824. Lectures were delivered until 1867, when the college became extinct. During its existence 1,134 students were graduated.
- 178* Worcester Medical College (Eclectic), Worcester, Mass. Organized in 1848 as the New England Botanical-Medical College. Reorganized in 1852 under above title. Lectures were delivered until 1859, and its charter has been kept valid by the Board of Trustees.*
- 179 New England Female Medical College, Boston, Mass. Organized in 1848. Lectures were delivered and classes graduated until 1874, when it was merged into the Boston University School of Medicine.
- 180 Boston University School of Medicine (Homoeopathic), Boston, Mass. I. Tisdale Talbot, M. D., Dean, 685 Boylston street. Organized in 1873. The first class graduated in 1874. Classes have been graduated each subsequent year. In 1874 the New England Female Medical College was united with this school. The faculty embraces sixteen professors, seven associate professors, nine lecturers, seven instructors, one demonstrator of anatomy, and six assistant demonstrators, a librarian and two assistant librarians. Four years' course required. (See adv.)
- 181 College of Physicians and Surgeons, Boston, Mass. A. P. Clarke, A. M., M. D., Dean; Rev. David Shurtleff, Registrar, 517 Shawmut ave. Organized in 1880. The first class was graduated in 1881. The faculty embraces thirty-six professors, associate professors, lecturers and demonstrators. (See adv.)
- 182* New England University of Arts and Sciences, Boston, Mass. Fraudulent. Extinct since 1881.*
- 183* Bellevue Medical College of Massachusetts, Boston, Mass. Organized in 1880. Charter repealed in 1883. Fraudulent.*
- 184* Medical Department of the American University of Boston, Boston, Mass. Extinct 1883.
*First Medical College of the American Health Society, Boston, Mass. Extinct 1883.
*Excelsior Medical College, Boston, Mass. Extinct 1883.
- 184A Clark University, Medical Department, Worcester, Mass. G. Stanley Hall, Ph. D., LL. D., President. Chartered in 1887. The department is not an institution for conferring the degree of M. D..

*As no list of the diplomas granted by this college could be obtained, all the names of physicians appearing in the following pages, and represented as being its graduates, have not been verified.

but one in which graduates in medicine, and college graduates intending to study medicine, may study the purely scientific parts of medicine. The officers of instruction are four professors, three assistant professors, one adjunct professor, one instructor, ten docents, two honorary fellows, seventeen fellows and four assistants.

- 184B Tufts College Medical School, Boston, Mass. Charles P. Thayer, M. D., Secretary, 188 Boylston street. Organized in 1893. First class was graduated in 1894. The faculty embraces eighteen professors, seven lecturers, four instructors, seven clinical assistants and two demonstrators. (See adv.)

MICHIGAN.

- 185 University of Michigan, Department of Medicine and Surgery, Ann Arbor, Mich. Victor C. Vaughan, M. D., Dean. Organized in 1850. The first class was graduated in 1851. Classes have been graduated each subsequent year. The faculty embraces thirteen professors, a demonstrator of anatomy, two assistant professors, three lecturers, four instructors, five class demonstrators and sixteen assistants. (See adv.)
- 185A* Michigan School of Homoeopathy and Surgery, Detroit, Mich. Incorporated February 23d, 1863. Extinct.*
- 185½ Detroit College of Medicine, Detroit, Mich. Theo. A. McGraw, M. D., President; H. O. Walker, M. D., Secretary, 27 Adams avenue east. Formed through the consolidation, in 1885, of the Michigan College of Medicine with the Detroit Medical College. The faculty embraces twenty-three professors and ten assistants, three lecturers and two demonstrators. (See adv.)
- 186 Detroit Medical College, Detroit, Mich. Organized in 1868. The first class was graduated in 1869. Classes were graduated each subsequent year until its consolidation, in 1885, with the Michigan College of Medicine under the name of the Detroit College of Medicine.
- 186½ Michigan Medical College, Lansing, Mich. Incorporated, 1871. Extinct since 1873.*
- 187* Detroit Homoeopathic Medical College, Detroit, Mich. Organized in 1871. Extinct since 1876.*
- 188 University of Michigan Homoeopathic Medical College, Ann Arbor, Mich. W. B. Hinsdale, M. S., M. D., Dean; R. S. Copeland, M. D., Secretary. Organized in 1875. The first class was graduated in 1877. Classes have been graduated each subsequent year. The faculty embraces five full professors, one lecturer, four assistant professors and a resident physician and surgeon in hospital. Seven professors of the department of medicine and surgery (regular school) give instruction to homoeopathic students.
- 188A* Detroit University of Rational Medicine and Surgery, Detroit, Mich. Incorporated 1880. Extinct.*
- 188B* Michigan Eclectic Medical College, Detroit, Mich. Incorporated 1880. Extinct.*
- 188C* Detroit University of Medicine, Detroit, Mich. Incorporated November 20, 1881. Extinct.*
- 189 Michigan College of Medicine, Detroit, Mich. Organized in 1880. First class was graduated in 1881, and a class was graduated each year till 1885. In 1885 the college amalgamated with the Detroit Medical College under the name of the Detroit College of Medicine.
- 189½ Michigan College of Medicine and Surgery, Detroit, Mich. Hal C. Wyman, M. D., Dean, 46 Adams avenue west. Organized in 1888.

*As no list of the diplomas granted by this college could be obtained, all the names of physicians appearing in the following pages, and represented as being its graduates, have not been verified.

First class graduated in 1889. The faculty embraces eleven professors, four instructors, one demonstrator and seven lecturers.

MINNESOTA.

- 190 Winona Medical School, Winona, Minn. Organized in 1872. Extinct. No diplomas were issued, it being a school of instruction only.
- 190½ The College of Homoeopathic Medicine and Surgery of the University of Minnesota, Minneapolis, Minn. Alonzo P. Williamson, M. D., Dean. Organized in 1888, absorbing the Minnesota Homoeopathic Medical College. First class was graduated in 1889. The faculty embraces fourteen professors. (See adv.)
- 191 Minnesota Hospital Medical College, St. Paul, Minn. Organized in 1881, as the successor of the St. Paul Medical College, founded in 1878. Reorganized in 1885 under above title. Merged into the Medical Department of the University of Minnesota in 1887.
- 191½ Medical Department of Hamline University (Minneapolis College of Physicians and Surgeons), Minneapolis, Minn. J. T. Moore, M. D., Dean of the Faculty, 307 Masonic Temple. Organized fall of 1883. First class was graduated in the spring of 1885. The faculty embraces twenty professors, one associate professor, three clinical professors and a demonstrator of anatomy.
- 192 The College of Medicine and Surgery of the University of Minnesota, Minneapolis, Minn. Perry H. Millard, M. D., Dean. Organized in 1883. The faculty were limited to the examination of applicants for the degrees of M. B. and M. D. Reorganized as a teaching body in 1888, absorbing the Minnesota Hospital College and the St. Paul Medical College. The faculty consists of twenty-one professors, fifteen instructors, one lecturer and one demonstrator of anatomy.
- 192½ St. Paul Medical College, St. Paul, Minn. Organized in 1878. In 1880 it united with the Minnesota Hospital College. Reorganized in 1885 under its original title. In 1888 it was merged into the College of Medicine and Surgery of the University of Minnesota.
- 192A Woman's Medical College, Minneapolis, Minn. Extinct.

MISSOURI.

- 193 Missouri Medical College, St. Louis, Mo. P. Gervais Robinson, M. D., Dean, 2710 Washington avenue; Henry M. Whelpley, M. D., Secretary, 425 Clark avenue. Organized in 1840 as the Medical Department of Kemper College. In 1845 it became the Medical Department of the University of Missouri. In 1855 it assumed its present name. The first class was graduated in 1841. It was suspended during the war, and no students were graduated in 1862, '63, '64 or '65. It is sometimes called after its founder, The McDowell Medical College. The faculty embraces sixteen professors, five clinical professors, two assistant professors, eight chiefs of clinics, sixteen clinical assistants, three lecturers, one instructor and one demonstrator. (See adv.)
- 194 Medical Department of Washington University (The St. Louis Medical College), St. Louis, Mo. Henry M. Mudd, M. D., Dean, 2804 Locust; E. M. Senseney, M. D., Secretary, 2329 Washington avenue. Organized in 1841 as the Medical Department of the St. Louis University. In 1855 it was chartered as an independent institution under the name of the St. Louis Medical College. In 1891 it became the Medical Department of Washington University. The first class was graduated in 1843. Classes have been graduated each subsequent year. The faculty embraces twenty-two professors, one assistant professor, four lecturers and six instructors. (See adv.)

*As no list of the diplomas granted by this college could be obtained, all the names of physicians appearing in the following pages, and represented as being its graduates, have not been verified.

- 195 University of the State of Missouri, Medical School, Columbia, Mo. A. M. McAllister, Dean; Woodson Moss, Secretary. Organized in 1845. The first class was graduated in 1846. From 1845 to 1855 the Medical Department was situated at St. Louis. See Missouri Medical College. No degrees were conferred during the war, 1861-65. Faculty embraces eight professors, four lecturers, three assistants and one demonstrator.
- 196 Humboldt Medical College, St. Louis, Mo. Incorporated February 28, 1855, as the St. Louis College of Medicine and Natural Sciences. In 1859 it became the Humboldt Institute, a German college for the promotion of natural sciences and medicine. It retained this name until 1866, when the present one was assumed. Before the lectures commenced for the session of 1869-70, a split occurred in the faculty, a portion of which organized the College of Physicians and Surgeons. Lectures discontinued after the session of 1869-70.
- 196A The Marion-Sims College of Medicine, St. Louis, Mo. Young H. Bond, M. D., Dean, Grand and Page avenues; Hanau W. Loeb, M. D., Secretary, 3536 Olive. Organized in 1890. First class was graduated in 1891. The faculty embraces twenty-one professors, seven lecturers, four demonstrators and eighteen assistants. (See adv.)
- 197 Homoeopathic Medical College of Missouri, St. Louis, Mo. Wm. C. Richardson, M. D., Dean, 3913 N. Eleventh; L. C. McElwee, M. D., Secretary, 215 S. Jefferson av. Chartered originally in 1857; reorganized in 1882. Between the years 1869 and 1881, the following homoeopathic colleges were organized in St. Louis, viz: The St. Louis College of Homoeopathic Physicians and Surgeons, organized 1869; held two sessions and suspended after session of 1870-71. The Homoeopathic Medical College of St. Louis, organized 1873. The Hering Medical College, organized in 1880. The Alumni Association of Homoeopathic Colleges of Missouri, organized in 1880. In 1880 a portion of the faculty of the Homoeopathic Medical College of Missouri seceded and revived the St. Louis College of Homoeopathic Physicians and Surgeons, which again held two sessions; but after the session of 1881-82 this college and the Hering were consolidated with the Homoeopathic Medical College of Missouri. The faculty embraces twenty professors and six lecturers. (See adv.)
- 198 Kansas City Medical College, Kansas City, Mo. E. W. Schauf-
fler, M. D., President; Joseph Sharp, M. D., Secretary. Organized in 1869, as the College of Physicians and Surgeons of Kansas City. The first class was graduated in 1870; classes have been graduated each subsequent year. The school assumed its present name in 1881. The faculty embraces seventeen professors, six lecturers, ten demonstrators and instructors.
- 199* St. Louis College of Homoeopathic Physicians and Surgeons, St. Louis, Mo. Organized in 1869. Suspended after the sessions of 1870-71. See Homoeopathic Medical College of Missouri.*
- 200* St. Louis Eclectic Medical College, St. Louis, Mo. Organized in 1874. Extinct in 1883. Closed by legal process.*
- 201* Homoeopathic Medical College of St. Louis, St. Louis, Mo. Organized in 1873. Extinct since 1883.*
- 202 American Medical College (Eclectic), St. Louis, Mo. E. Youn-
kin, M. D., Dean, 3035 Lucas ave. Organized in 1873. The first class was graduated in 1874. Classes were graduated twice annually from that date up to 1883, but only one annual commencement is now held for the two regular annual sessions. The faculty embraces fifteen professors and two demonstrators. (See adv.)

*As no list of the diplomas granted by this college could be obtained, all the names of physicians appearing in the following pages, and represented as being its graduates, have not been verified.

- 203 St. Joseph Hospital Medical College, St. Joseph, Mo. Organized in 1878. Five classes, containing forty-five students, were graduated. In 1882 this college was merged into the St. Joseph Medical College. See Ensworth Medical College.
- 204 College of Physicians and Surgeons of St. Joseph, St. Joseph, Mo. Organized in 1878. Three classes, containing fifty students, were graduated. In 1882 this college was merged into the St. Joseph Medical College. See Ensworth Medical College.
- 205 St. Louis College of Physicians and Surgeons, St. Louis, Mo. Waldo Briggs, M. D., Dean, 1405 Olive; John A. James-James, M. D., Secretary, 2836 Lafayette ave. Organized in 1878. The first class was graduated in 1880. Classes have been graduated each subsequent year. The faculty embraces sixteen professors, three demonstrators, four clinical lecturers and ten clinical assistants. (See adv.)
- 206 Joplin College of Physicians and Surgeons, Joplin, Mo. Organized in 1880. The first class was graduated in 1881. The school became extinct in 1884.
- 206½* Medical College of Kansas City, Kansas City, Mo. Organized in 1869. Three sessions were held. Extinct in 1873.*
- 207* Hering Medical College (Homoeopathic), St. Louis, Mo. Organized in 1880. Consolidated with the Homoeopathic Medical College of Missouri in 1882.
- 207½ Beaumont Hospital Medical College, St. Louis, Mo. W. B. Outten, M. D., Dean, 3515 Pine; John T. Larew, M. D., Secretary, 1100 Garrison ave. Organized in 1886. First class was graduated in 1887. The faculty embraces twenty-two professors, six instructors and thirteen clinical assistants. (See p 1721.)
- 208 Northwestern Medical College of St. Joseph, St. Joseph, Mo. Organized in 1880. Extinct.
- 208½ Kansas City Homoeopathic Medical College, Kansas City, Mo. Wm. Davis Foster, M. D., Dean, 420 W. 11th st. Organized in 1888. The faculty embraces twenty professors, five lecturers and two demonstrators.
- 209 University Medical College of Kansas City, Kansas City, Mo. Lyman A. Berger, A. M., M. D., Secretary, 1201 Grand ave. Organized in 1881 as the University of Kansas City, Medical Department. Reorganized in 1888. The first class was graduated in 1882. The faculty embraces thirty-two professors. (See adv.)
- 209½* Joplin Medical College, Joplin, Mo. Organized in 1881. Extinct in 1882.*
- 210 Ensworth Medical College, St. Joseph, Mo. Thomas H. Doyle, M. D., Dean, corner 9th and Felix sts.; W. J. Bell, A. M., M. D., Secretary, 613 Francis st. Organized in 1882 as the St. Joseph Medical College by the union of the St. Joseph Hospital Medical College and the College of Physicians and Surgeons of St. Joseph. Reorganized in 1888 under above title. The first class graduated in 1883. The faculty embraces fifteen professors and three demonstrators.
- 210½ St. Louis Hygienic College of Physicians and Surgeons, St. Louis, Mo. Incorporated in 1887. Suspended in 1895.
- 211 Kansas City Hospital College of Medicine, Kansas City, Mo. Organized in 1882. The first class was graduated in 1883. Extinct in 1888.

*As no list of the diplomas granted by this college could be obtained, all the names of physicians appearing in the following pages, and represented as being its graduates, have not been verified.

- 211½* St. Louis Hahnemann Medical College, St. Louis, Mo. Organized in 1873. One course of lectures delivered. Matriculates, 10; graduates, 4. Extinct in 1874.*
- 212* Woman's Medical College of St. Louis (Homoeopathic), St. Louis, Mo. Organized in 1883, and after giving one course of lectures it became extinct.*
- 212½* Occidental College of Physicians and Surgeons, Joplin, Mo. Incorporated, 1876. Extinct in 1887.*
- 213* American Anthropological University of St. Louis. A diploma from this University was presented for record in Indiana in 1885. This is the first instance that has come to the knowledge of the Board of any diplomas of this school being held in this country and presented as a qualification to practice medicine. Diplomas of this institution were sold in Scotland several years ago, and the attention of the Board was called to the same by Hon. John Eaton, then U. S. Commissioner of Education. Through prosecutions during the year 1885, in Germany, it has been ascertained that parties held diplomas from this institution in that country. This so called institution never had a legitimate existence; only one of the original incorporators and officers is now living, and he says that he never signed a diploma.
- 213A Barnes Medical College, St. Louis, Mo. C. H. Hughes, M. D., President, 3857 Olive; Pinckney French, M. D., Secretary, 609 Union Trust Bldg. Organized in 1892. The first class was graduated in 1893. The faculty embraces twenty-two professors, four lecturers, nineteen clinical instructors and two assistants to the chair of anatomy. (See adv.)
- 213B St. Louis Woman's Medical College and Hospital, St. Louis, Mo. (formerly Woman's Medical College). George F. Hurlbut, M. D., Dean, 4270 Delmar boul.; Frank P. Norbury, M. D., Secretary, 1006 Olive. Incorporated in 1891. The first class was graduated in 1893. Classes have been graduated each subsequent year. The faculty embraces twenty-six professors, three lecturers and two demonstrators. (See adv.)
- 213C The Central Medical College of St. Joseph, Mo. T. E. Potter, M. D., Secretary, 9th and Felix sts. Organized in 1894. The first class was graduated in 1895. The faculty embraces twenty-one professors, five lecturers and three demonstrators of anatomy.
- 213D Woman's Medical College, Kansas City, Mo. F. B. Tiffany, M. D., Dean; John Punton, M. D., Secretary, 13th and Grand ave. Organized in 1895. The first class was graduated in 1896. The faculty embraces twenty-five professors, seven lecturers and two demonstrators. (See adv.)

NEBRASKA.

- 214 Omaha Medical College, Omaha, Neb. W. O. Bridges, M. D., Secretary, 118 N. 18th st. Organized in 1881. The outgrowth of a preparatory school established in 1880 under the name of the Nebraska School of Medicine. Four years graded course, requirements complying with State boards of health. The faculty embraces twenty-two professors and ten assistants.
- 214A Medical Department Cotner University, Lincoln, Neb. W. S. Latta, M. D., Dean, 1116 L st. Organized in 1889 as the Medical Department of the Nebraska Christian University, Bethany Heights, Lincoln. The first class was graduated in 1891. Classes have been graduated each subsequent year. The faculty consists of fourteen professors, six lecturers and three demonstrators. (See adv.)

*As no list of the diplomas granted by this college could be obtained, all the names of physicians appearing in the following pages, and represented as being its graduates, have not been verified.

- 215 University of Nebraska, College of Medicine (Regular Department), Lincoln, Neb. Organized in 1883. The first class was graduated in 1884. Extinct in 1887.
- 216 University of Nebraska, College of Medicine (Homoeopathic Department), Lincoln, Neb. Organized in 1883. First class was graduated in 1884. Extinct in 1887.
- 217 University of Nebraska, College of Medicine (Eclectic Department), Lincoln, Neb. Organized in 1883. First class was graduated in 1884. Extinct in 1885.
- 217A The John A. Creighton Medical College (Medical Department of the Creighton University), Omaha, Neb. DeWitt C. Bryant, A. M., M. D., Secretary. Organized in 1892. The faculty consists of twenty-five professors, four lecturers, four demonstrators of anatomy and five assistants to chairs. The course consists of four years, one term of seven months each year. (See adv.)

NEW HAMPSHIRE.

- 218 Dartmouth Medical College, Hanover, N. H. Carlton P. Frost, M. D., Dean. Organized in 1797. The first class was graduated in 1798. Classes have been graduated each subsequent year. The faculty embraces a president and fifteen professors.
- 219* New England University of the Arts and Sciences, Manchester, N. H. Incorporated 1876. Act repealed 1877. Extinct. Fraudulent.*
- 219½* University of New Hampshire, Department of Medicine, Nashua, N. H. Chartered and organized in 1888. First course of lectures opened October, 1889. Extinct. Fraudulent.*

NEW JERSEY.

- 220 Medical and Surgical College of the State of New Jersey, Jersey City, N. J. Incorporated in 1880. Charter amended in 1888. No session since 1889.
- 221* Livingston University, Haddonfield, N. J. Fraudulent and extinct.*
- 222* Hygeio-Therapeutic College, Bergen Heights, N. J. Fraudulent and extinct.*
- 222A College of Fine Forces, East Orange, N. J. E. D. Babbitt, M. D., Dean, 282 Main st. Founded in 1883. Chartered under the laws of the State of New York, as the New York College of Magnetism in 1887, and again incorporated under the laws of New Jersey as the College of Fine Forces in 1893. The faculty consists of two professors.

NEW YORK.

- 223 College of Physicians and Surgeons in the City of New York (Medical Department of Columbia College), New York City. Edwin B. Cragin, M. D., Secretary, 437 W. Fifty-ninth st. Organized in 1807, by the regents of the University of the State of New York, as their medical department, under the name of the College of Physicians and Surgeons in the City of New York. The institution was connected with the Columbia College for a short period in 1814, and became permanently connected with it in 1860, when the "Medical Department of Columbia College" was added to the original title. The original Medical Department of Columbia College was organized in 1767; it was suspended during the war of the revolution, and became extinct in 1813. The first class was graduated by this college in 1811. Classes have been graduated each subsequent year. The faculty embraces twenty-seven professors, six clinical lecturers, fourteen demonstrators, seven instructors, two tutors, eleven chiefs of clinic and fifty-eight clinical assistants.

*As no list of the diplomas granted by this college could be obtained, all the names of physicians appearing in the following pages, and represented as being its graduates, have not been verified.

- 224* College of Physicians and Surgeons of the Western District of New York, Fairfield, N. Y. Organized in 1812. Merged part into the Albany Medical College and part into Geneva Medical College in 1841. During its existence it afforded instruction to 3,123 students and graduated 589.*
- 225* New Medical Institution (Medical Department of Queen's College, New Jersey), New York City. Organized in 1814. Suspended in 1816. In 1826 the Medical Institution was revived under the auspices of Rutgers's (formerly Queen's) College, N. J., but became extinct in 1830.*
- 226* New York Reformed Medical College (Eclectic), New York City. Organized in 1836. Extinct 1838.*
- 227* New York School of Medicine, New York City. Organized under the auspices of the New York County Medical Society in 1831.*
- 228* Auburn Medical School, Auburn, N. Y. Extinct.*
- 229* Geneva Medical College, Geneva, N. Y. Organized in 1836. Merged into the College of Medicine of Syracuse University in 1872.*
- 230 Albany Medical College (Medical Department of Union University), Albany, N. Y. Willis G. Tucker, M. D., Registrar, 4 Lancaster st. Organized in 1838. The first class was graduated in 1839. It became connected with Union University in 1873, when the present title was assumed. The faculty embraces thirteen professors, three adjunct professors, one demonstrator of anatomy, six lecturers, fourteen instructors and eight clinical assistants. (See adv.)
- 231 University of the City of New York, Medical Department (University Medical College), New York City. Charles Inslee Pardee, M. D., Dean, 410 E. Twenty-sixth st. Organized in 1841. The first class was graduated in 1842. Classes have been graduated each subsequent year. The faculty embraces ten professors, two emeritus professors, five adjunct professors, six clinical professors, one assistant professor, fifteen lecturers and tutors, fifteen assistants and two demonstrators of anatomy. (See adv.)
- 232 University of Buffalo, Medical Department, Buffalo, N. Y. John Parmenter, M. D., Secretary, 519 Franklin st. Organized in 1846. The first class was graduated in 1847. Classes have been graduated each subsequent year. The faculty embraces eleven professors, four adjunct professors, thirteen special professors, sixteen lecturers and instructors, twenty-six clinical instructors, two directors of laboratory, two demonstrators and one prosector. (See adv.)
- 233 New York Medical College, New York City. Organized in 1852. The last session was held in 1863-64.
- 234* Medical College of New York City, New York City. Extinct.*
- 235* Excelsior Medical College, New York City. Extinct.*
- 236* Metropolitan Medical College (Eclectic), New York City. Organized, 1852. Incorporated, March, 1857. Charter repealed April 12, 1862.*
- 236½* Central Medical College of New York (Eclectic), Syracuse, N. Y. Organized in 1848. Extinct 1855.*
- 237* Syracuse Medical College (Eclectic), Syracuse, N. Y. Organized in 1850. Extinct 1857.*
- 238* Rochester Eclectic Medical College, Rochester, N. Y. Organized in 1848. Lectures delivered during three or four sessions. Extinct, 1852.*

*As no list of the diplomas granted by this college could be obtained, all the names of physicians appearing in the following pages, and represented as being its graduates, have not been verified.

- 239 Long Island College Hospital, Brooklyn, N. Y. J. H. Raymond, M. D., Secretary of the faculty, Henry street, between Pacific and Amity streets. Organized in 1858. The first class was graduated in 1860. Classes have been graduated each subsequent year. The faculty embraces ten professors, eight professors of special subjects, one demonstrator and twenty-eight instructors and assistants. During the reading and recitation term there are engaged twelve lecturers and one demonstrator.
- 240 New York Homoeopathic Medical College and Hospital, New York City. Wm. Tod Helmuth, M. D., LL. D., Dean, 200 Madison ave., New York City; L. L. Danforth, M. D., Secretary, 35 W. 51st st. Organized in 1858. The first class was graduated in 1861. Classes have been graduated each subsequent year. The faculty embraces twenty-five professors, one adjunct professor, six clinical assistants, four lecturers, three demonstrators, one assistant demonstrator, two assistants to chairs and one laboratory instructor. (See adv.)
- 241 Bellevue Hospital Medical College, New York City. Austin Flint, M. D., Secretary of the faculty, 60 E. 34th st. Organized in 1861. The first class was graduated in 1862. The Woman's Medical College of Cincinnati and Presbyterian Hospital and Woman's Medical College, Cincinnati, consolidated with the Laura Memorial College in 1895. The first class graduated in 1896. The faculty consists of twenty professors, three adjuncts and five demonstrators. (See adv.)

OREGON.

- 280 Willamette University, Medical Department, Salem, Ore. J. Reynolds, M. D., Dean. Organized in 1864, and located at Salem. It was removed to Portland in 1878. Removed back to Salem in 1895. The first class was graduated in 1867. Classes have been graduated each subsequent year. Faculty embraces eighteen professors and one demonstrator.
- 280½ University of the State of Oregon, Medical Department, Portland, Ore. S. E. Joseph, M. D., Dean, 135 First st. Organized in 1887. The faculty embraces sixteen professors, five special lecturers and two demonstrators.

PENNSYLVANIA.

- 281 Department of Medicine of the University of Pennsylvania, Philadelphia, Pa. John Marshall, M. D., Dean. Organized in 1765 as the Department of Medicine of the College of Philadelphia, the latter institution being the sixth in the order of succession of establishment of American colleges, having been chartered in 1753 chiefly through the influence of Dr. Benjamin Franklin and Dr. William Smith. The Department of Medicine is the first medical school established on the Continent of North America. The first medical diploma issued in America was granted to Dr. John Archer, in 1768, by this Department, then known as the College of Medicine in Philadelphia. On the organization of the University of Pennsylvania, in 1782, the college assumed its present title and relations as the successor of the College of Philadelphia. Classes have been graduated each year since 1768, except in 1772 to 1779 inclusive, during

*As no list of the diplomas granted by this college could be obtained, all the names of physicians appearing in the following pages, and represented as being its graduates, have not been verified.

the War of Independence. The faculty embraces twenty professors, two assistant professors, twenty-four demonstrators, five lecturers, twenty-nine instructors and a prosector of anatomy. (See adv.)

- 282 Jefferson Medical College, Philadelphia, Pa. J. W. Holland, M. D., Dean, 2006 Chestnut st. Organized in 1826 as the Medical Department of the Jefferson College at Canonsburg, Pa. Subsequently a charter was granted by the Legislature of the State, same as that given to the University of Pennsylvania, under which it has since been continuously in operation. The first class was graduated in 1827. Classes have been graduated in each subsequent year. The faculty embraces twenty-four professors, two lecturers, ten demonstrators, thirty-six assistant demonstrators and ten instructors. (See adv.)
- 283 Hahnemann Medical College (Homoeopathic), Philadelphia, Pa. John E. James, M. D., Registrar, 1521 Arch st. Organized in 1848. The first class was graduated in 1849. Classes have been graduated each subsequent year. The faculty embraces thirteen professors, fifteen lecturers and demonstrators. (See adv.)
- 284 Woman's Medical College of Pennsylvania, Philadelphia, Pa. Clara Marshall, M. D., Dean, 1712 Locust st. Organized in 1850. The first class was graduated in 1851. Classes have been graduated in each subsequent year. The faculty embraces eight professors, nine clinical professors, one adjunct professor, four lecturers, six demonstrators, one instructor, seven assistant demonstrators, a curator of the museum, a prosector and eighteen clinical instructors. (See adv.)
- 285* Pennsylvania Medical College, Philadelphia Pa. Organized in 1839, as the Medical Department of the Pennsylvania College, at Gettysburgh, by Dr. David Gilbert. About 1853 it was reorganized. In 1859 the resignation of two of the professors caused the dissolution of the faculty. The institution then fell into the hands of the Philadelphia College of Medicine, and soon afterwards became extinct.*
- 286* Philadelphia College of Medicine and Surgery, Philadelphia, Pa. Organized in 1846 by Dr. James R. McClintock, and in 1859 it was merged into the Pennsylvania Medical College.*
- 287* Franklin Medical College, Philadelphia, Pa. Organized in 1847. Existed until 1852. Extinct.*
- 288 Penn Medical University, Philadelphia, Pa. Chartered February 2, 1853. Lectures were delivered until about 1867. Reorganized, 1874. Extinct, 1881.
- 289 Homoeopathic Medical College, Philadelphia, Pa. Organized in 1848. On April 2, 1869, the faculty of this institution united with the faculty of the Hahnemann Medical College of Philadelphia, under the latter title.
- 289A* American College of Medicine in Pennsylvania, and the Eclectic Medical College of Philadelphia, Pa. Incorporated February 23, 1853. A few years after incorporation the first name was dropped, leaving the title Eclectic Medical College of Philadelphia. This was changed by the Legislature on March 21, 1865, to the Philadelphia University of Medicine and Surgery.*
- 290* Eclectic Medical College of Pennsylvania, Philadelphia, Pa. Organized in 1856. Extinct, 1880.*
- 291* Philadelphia University of Medicine and Surgery (Eclectic). Philadelphia, Pa. Incorporated 1865. Extinct, 1880.*

*As no list of the diplomas granted by this college could be obtained, all the names of physicians appearing in the following pages, and represented as being its graduates, have not been verified.

- 202* Lincoln University, Medical Department, Oxford, Pa. Organized in 1870. Extinct in 1872.*
- 293* American University of Pennsylvania (Eclectic), Philadelphia, Pa. Incorporated, 1897. Fraudulent. Extinct, 1880.*
- 293½* Electropathic Institute, Philadelphia, Pa. Chartered June 27, 1876.*
- 294 Medico-Chirurgical College of Philadelphia, Philadelphia, Pa. Ernest Laplace, LL. D., M. D., Dean, 1828 S. Rittenhouse Square. Organized in 1881. The first class was graduated in 1882. The faculty embraces fourteen professors, seven clinical professors, six adjunct professors, nine lecturers, three demonstrators and eight instructors. (See adv.)
- 294½ Western Pennsylvania Medical College, Pittsburgh, Pa. T. M. T. McKennan, M. D., Secretary, 810 Penn ave. Organized in 1886. First class was graduated in 1887. The faculty embraces twenty professors, three demonstrators, eighteen assistants to chairs, nineteen lecturers and one prosector. (See adv.)

RHODE ISLAND.

- 295* Brown University, Medical Department, Providence, R. I. Organized in 1811. Lectures were delivered and classes graduated annually from 1814 to 1827, inclusive, excepting the years 1820-21, when it is believed that no classes were graduated. Extinct, 1827.*

SOUTH CAROLINA.

- 296 Medical College of South Carolina, Charleston, S. C. Organized 1824; charter obtained in 1823. Permanently closed in 1839. During its existence its graduates amounted to 313.
- 297 Medical College of the State of South Carolina, Charleston, S. C. Francis L. Parker, M. D., Dean, 70 Hasell st. Organized in 1833. In 1839 the Medical College of South Carolina became extinct, and the Medical College of the State of South Carolina received the buildings and other property of the former. Classes were graduated annually until 1862, when operations were suspended during the war, and until 1865, when they were resumed. Classes have been graduated annually since 1865. The faculty embraces nine professors, two demonstrators and five auxiliary instructors, and has thoroughly equipped chemical, pathological and bacteriological laboratories.
- 298* University of South Carolina, Medical Department, Columbia, S. C. Organized in 1866. Extinct in 1876.*

SOUTH DAKOTA.

- 298A* South Dakota Medical College, Yankton, S. D. Incorporated in 1893.*

TENNESSEE.

- 299 University of Nashville, Medical Department, Nashville, Tenn. W. G. Ewing, M. D., Secretary and Treasurer, 504 Church st. Organized in 1850. The first class was graduated in 1852. The faculty embraces twelve professors, seven special lecturers and eight demonstrators. (See adv.)
- 299A Vanderbilt University, Medical Department, Nashville, Tenn. W. L. Dudley, M. D., Dean; Richard Douglas, M. D., Secretary, 204 Willcox bldg. Founded in 1874. Course extended, standard raised and present faculty elected in 1895. (See adv.)
- 299B* Jefferson Medical Association, Dandridge, Tenn. In 1854 this association obtained a charter from the Legislature of Tennessee, giving it power to confer the degree of M. D. upon applicants who

*As no list of the diplomas granted by this college could be obtained, all the names of physicians appearing in the following pages, and represented as being its graduates, have not been verified.

would present themselves before the members of said association for thorough examination, and if the examination was satisfactory to these gentlemen, they could grant them a diploma. The degree of M. D. was conferred upon five persons a number of years ago. No degree has been conferred of late years, the association simply exercising the functions of a Medical Society.*

- 300* Memphis Medical College (Medical Department, Cumberland University), Memphis, Tenn. Organized in 1845. Suspended from 1861 to 1868, during the War of the Rebellion. Reorganized in 1868. Courses of lectures were delivered until 1873. Extinct.*
- 300½* Shelby Medical College, Nashville, Tenn. Organized in 1858. Extinct in 1862.*
- 301 Medical Department of the University of Tennessee, Nashville, Tenn. Paul F. Eve, M. D., Dean, 614 Broad st. Organized in 1876 as the Nashville Medical College. Became connected with the University of Tennessee in 1880. The first class was graduated in 1877. Classes have been graduated each subsequent year. The faculty embraces fourteen professors, seven instructors and six demonstrators. (See adv.)
- 301½ Hannibal Medical College, Memphis, Tenn. T. C. Cottrell, M. D., Secretary and Dean. First session opened October 7th, 1889. The faculty embraces eleven professors.
- 302 Meharry Medical Department of Central Tennessee College, Nashville, Tenn. G. W. Hubbard, M. D., Dean. Organized in 1876. The first class was graduated in 1877. Classes have graduated each subsequent year. Devoted to the education of colored students, male and female. The faculty embraces ten professors, one assistant professor, two instructors and one demonstrator.
- 302½ Tennessee Medical College, Knoxville, Tenn. J. C. Cawood, M. D., Dean. Organized in 1889. The first class was graduated in 1890. The faculty embraces twelve professors and seven lecturers and demonstrators.
- 303* Botanic Medical College, Memphis, Tenn. Organized in 1857. In 1859 reorganized as The Eclectic Medical Institute, and became extinct in 1861.*

TEXAS.

- 305* Texas Medical College and Hospital, Galveston, Texas. Organized in 1886 as the Galveston Medical College (being the Medical Department of Soule University). Reorganized under its present name in 1873. Lectures discontinued in 1881 on the Medical Department of the University of Texas being voted to be located at Galveston, reopened in 1887, the said Medical Department of the Texas University having failed to be established as proposed. Went out of existence at the close of the session of 1890-91.
- 305½ Medical Department, San Antonio University, San Antonio, Texas. J. V. Spring, M. D., Dean. Organized in 1888, and a faculty selected, but no lectures were ever given.
- 305A Medical Department University of Texas, Galveston, Tex. J. F. Y. Paine, M. D., Dean, P. O. Box 522. Organized in 1891. The first class was graduated in 1892. The faculty consists of nine professors, seven lecturers and five demonstrators.
- 305B Medical Department of Fort Worth University, Fort Worth, Texas. Organized in 1894. The first class was graduated in 1895. Bacon Saunders, M. D., Dean. The faculty consists of sixteen professors, besides a full corps of assistants and demonstrators. (See adv.)

UTAH.

- 306* Medical Institution of Morgan City, Morgan City, Utah. Extinct.*

VERMONT.

- 307 University of Vermont, Medical Department, Burlington, Vt. A. P. Grinnell, M. D., Dean. Organized in 1822. The first class was graduated in 1823. Sessions were held, and classes graduated annually, excepting in 1835, until 1837, when the sessions were suspended. In 1854 the department was reorganized. A class was graduated in 1854, and in each subsequent year. The faculty embraces eighteen professors, five adjunct professors, one demonstrator and one curator.
- 308* Vermont Medical College, Woodstock, Vt. Organized in 1827, under the name of Clinical School of Medicine, by Dr. Joseph A. Gallup, and was under his management until 1835. For several years the degrees were conferred by the Waterville College, Maine. In 1830 an arrangement was made with the Middlebury College, Vermont, and the degrees were conferred by that institution up to 1836. In 1835 the State Legislature passed an act incorporating the Vermont Medical College. By this act the Supreme Court was directed to appoint a Board of Examiners. The school was quite prosperous and well patronized; had a strong faculty and more than one hundred students in 1850-51-52-53. Professor B. R. Palmer, Dean of the Faculty and Professor of Anatomy, removed to Louisville, Ky., in 1854. In 1856 the school became extinct.*
- 308½ Union Medical Institute, Newbury, Vt. Organized 1833. Fraudulent and extinct.
- 309 Castleton Medical College, Castleton, Vt. The State, by an act passed October 29th, 1818, granted a charter to the Castleton Medical Academy. The first course of lectures under this charter was commenced November 15th, 1818. In 1821, name was changed to Vermont Academy of Medicine. Suspended in 1838, reorganized in 1839, and name changed to the Castleton Medical College in 1841. Extinct since 1861. During its existence it graduated 350 students.
- 309½ Vermont Medical College, Rutland, Vt. George Dutton, M. D., Dean. Incorporated 1883.*

*As no list of the diplomas granted by this college could be obtained, all the names of physicians appearing in the following pages, and represented as being its graduates, have not been verified.

309A Trinity University, College of Medicine and Surgery of the State of Vermont, Bennington, Vt. Incorporated 1889. Fraudulent.

VIRGINIA.

310 University of Virginia, Medical Department, Charlottesville, Albemarle County. Wm. M. Thornton, LL. D., Chairman of Faculty. Organized in 1825. The first class was graduated in July, 1828. There was no graduating class in 1882. The medical faculty embraces five professors, one acting professor, three instructors, one assistant demonstrator in Medical Biology and one demonstrator of Anatomy, with two assistants.

314 Wisconsin College of Physicians and Surgeons, Milwaukee, Wis. W. H. Washburn, M. D., Secretary, corner Walnut and Twenty-fifth. Organized 1893. First class graduated in 1894.

*As no list of the diplomas granted by this college could be obtained, all the names of physicians appearing in the following pages, and represented as being its graduates, have not been verified.

The faculty embraces twenty professors and eleven lecturers, demonstrators and instructors. (See adv.)

- 315 Milwaukee Medical College, Milwaukee, Wis. Wm. H. Earles, M. D., Dean; Warren B. Hill, M. D., Secretary, cor. 9th and Wells. Organized in 1893. The first class was graduated in 1895. The faculty embraces twenty-seven professors, eight lecturers, three demonstrators and a dispensary staff of eight. (See adv.)

- 316 Wisconsin Eclectic Medical College, Milwaukee, Wis. F. R. Rutland, M. D., President, 1809 Fond du Lac avenue. Organized 1894. First class graduated 1896. The faculty embraces six professors, three lecturers and two demonstrators.

CANADA—Ontario.

- 330 College of Physicians and Surgeons of Ontario, Toronto, Ont. Robert A. Pyne, M. D., Registrar. First incorporated in 1866. The licensing body for Ontario. This institution does not grant degrees, and has no teaching faculty.
- 331 Toronto School of Medicine (affiliated with the University of Toronto and the University of Victoria College), Toronto, Ont. Organized in 1843. Incorporated by act of Parliament, 1851. Degrees were first conferred upon its students by affiliated universities in 1845. Degrees were so conferred each subsequent year. Suspended in 1887.
- 332 Toronto University, Medical Faculty, Toronto, Ont. W. T. Atkins, M. D., LL. D., Dean. Organized in 1843, as the Medical Faculty of King's College. Soon after its organization the name was changed to the Medical Faculty of the University of Toronto. The Faculty was paid by the State. After an existence of ten years, the endowed chairs were abolished by an act of Legislature and in 1852 the school became extinct. In 1887 the Medical Faculty was re-established as a teaching body. Students enrolled in the Faculty attend the lectures and demonstrations of the Science Department of the University. The remaining subjects are taught in the building which was formerly occupied by the Toronto School of Medicine.
- 333 Trinity Medical College (affiliated with the University of Trinity College, Queen's University, Victoria University, the University of Toronto and the University of Manitoba), Toronto, Ont. W. B. Gelkie, M. D., C. M., Dean, 52 Maitland st. Organized in 1850, as the Upper Canada School of Medicine, which, in its first session, became the Medical Faculty of Trinity College, and after an existence of four years, ended by the resignation of the professors. . . . In 1870 the Faculty of Medicine of Trinity College was re-organized, and in 1877 was incorporated as a separate corporation. The college confers the degree of "Fellow by Examination of Trinity Medical College," which is "In every respect the equivalent of M. B., M. D., or M. D., M. C., at Trinity College."—Gelkie. The faculty embraces eleven professors and eleven lecturers, demonstrators, instructors and assistants.
- 334 Faculty of Medicine of Queen's University, and Royal College of Physicians and Surgeons, Kingston, Ont. Fife Fowler, M. D., L. R. C. S., Edin., Dean of the faculty. First class graduated in 1855, and classes graduated in each subsequent year. The Royal College of Physicians and Surgeons being separately incorporated, the college confers the diplomas of "Licentiate" and "Fellow;" students obtain the degree of M. D. and C. M. from the Queen's Uni-
